

Kyuss

The newest version

Everyday Look

When He's Drawing

He's gradually gotten cooler

Kyuss

Astra

Astra's Former Friend →

The current knight captain who inherited traces of Astra initially he overwhelmingly saw Astra as a rival, but it softened during his creation and he now clings onto Astra after realizing that his attachment came from his attraction to him.

Had a face that resembled that of Michael Weikath's.

These are the oldest (from around November 2014)

Barbara Anne

This was her  
original name

Rose's Initial Draft

She started off  
as 25 years old, but  
because she ended up  
being 27, her face  
aged a bit too.

Vice Captain ♀  
Astro's former subordinate  
Sometimes visits him with Job  
offers from the Imperial Capital  
Straight-Forward person  
Necessary for planting  
conversations  
Has a big-breasted build
